Education

B.E. in Computer Science Engineering — Vasavi College of Engineering (2023 – 2027)

CGPA: 9.23

Experience

Web Development Intern — IIT Ropar | May 2025 – July 2025

- Developed a web application for poll generation and management.
- Implemented interactive UI features to improve user experience and engagement.
- Improved frontend responsiveness for smoother user interactions.

Campus Mantri — GeeksforGeeks, Vasavi College of Engineering | Apr 2025 – Present

- Leading the GfG student chapter on campus.
- Organizing technical events, contests, and learning circles.

Projects

Terrain Visualization System — React, Visualization, Web | Jun 2025 – Aug 2025

- Built a web application for lunar terrain visualization with interactive features for terrain data display.

Smart Crop Yield Prediction — React, Data, Analytics | Jun 2025 – Jul 2025

- Developed a web application for crop yield analysis with responsive usability and data insights.

Poll Generation Platform — React, Node.js, UI/UX | May 2025 – Jul 2025 (IIT Ropar)

- Created a poll generation and management platform with improved engagement and frontend responsiveness.

Technical Skills

Languages: C, C++, Java, Python, C#, JavaScript, HTML, CSS

Frameworks & Tools: React, Node.js, Express.js, SQL, MongoDB, Git, GitHub, VS Code

Achievements

- Flipkart GRID 7.0 Semi-Finalist — Advanced among 150,000+ participants.
- TCS CodeVita 2025 Round 2 Qualifier — Global coding competition.
- McKinsey Forward Program 2025 — Global structured problem-solving & leadership program.
- Infosys Springboard Pragati Cohort 5 — Nationwide technical training selection.
- NPTEL Java Topper (Top 5%) — IIT-conducted proctored examinations.
- Accenture Go for Gold Recognition — Continuous learning & professional development.
